Please send a plain, light-colored t-shirt with your child's name in it on the first day. We will apply an iron-on decal with the VBS logo as a keepsake for your child. An offering will be collected each day during the opening program; the offering will support the Heifer Fund, which purchases animals for children to raise in developing countries.

We will do a final gathering each day between 11:35 and noon. You should arrive and come in to the church to pick up your child before noon. On Friday, we will do a recap of all the things we learned this week. You are invited to come in to the church at 11:30 and stay with us until noon for this program - - - see what fun your child had and hear the children sing the theme songs.
